SUBJECT: Request for Proposal (RFP) NNJ13476977R

The National Aeronautics and Space Administration (NASA), Lyndon B. Johnson Space Center (JSC) is pleased to release the RFP, number NNJ13476977R, for the Advanced Technology & Integration Contract (ATIC) Acquisition. The ATIC Contract includes design, development, testing, integration and delivery of advanced technologies and highly specialized custom software engineering and research development of applications and solutions into mission operations systems and other systems within MOD as it pertains to NASA programs. The contractor shall also provide project integration, configuration and data management (CDM) support, IT resource management (ITRM) planning, office automated systems (OAS) support, Configuration Management (CM) and MOD unique facilities planning and utilization. The ATIC contract is a total Small Business Administration Set-aside and has been assigned North American Industry Classification System (NAICS) code 541511– Custom Computer Programming Services. The small business size standard is \$25.5Million.

The ATIC contract structure is Indefinite Delivery, Indefinite Quantity (IDIQ) Firm Fixed Price (FFP).

Acquisition Features:

- The Government anticipates a 5-year Period of Performance, consisting of a 5-year base period from April 1, 2014 – March 31, 2019 and a 45 day Phase In from February 15, 2014-March 31, 2014.
- Subcontracting information is required for any small business proposing a subcontracting arrangement and will be evaluated as part of Section M.3.4, Subcontractor Arrangement Information.

Offerors are encouraged to ensure their company is listed in the on-line database and have submitted the required documentation for the following:

Central Contractor Registry: System for Award Management (SAM) at www.sam.gov

VETS 100: <http://www.dol.gov/vets/>

EEO National Pre-Award Registry: <http://www.dol-esa.gov/preaward>

Proposal Preparation:

An electronic Technical Reference Library (TRL) is available for various types of historical data and other pertinent applicable documents and information regarding this procurement and its requirements. The ATIC electronic library is available at: <http://procurement.jsc.nasa.gov/atic/>

All Proposal Volumes identified in Section L.14.2 are due by 1:30 p.m. CST on August 12, 2013.

It is the Offeror's responsibility to monitor the acquisition websites as any changes to the schedule will be posted there.

Questions/Comments Related to the RFP:

In order for answers to be obtained and disseminated in a timely manner, all questions or comments are requested to be submitted in writing by close of business July 29, 2013. Please title the email note "Questions/Comments - ATIC RFP" in the subject block, and make sure to include a name and a daytime phone number of the person submitting the question. Questions/Comments shall not be marked as confidential, proprietary, competition sensitive, business information, etc. Comments and questions are highly encouraged, and shall be submitted in writing via email, to the Contract Specialist at Jalisa.C.Sims@nasa.gov. In addition, anonymous questions can be asked at the ATIC procurement website below. Oral communications are not acceptable in response to this notice.

All Questions and Answers in response to the RFP may be found on the ATIC procurement website at: <http://procurement.jsc.nasa.gov/atic/>

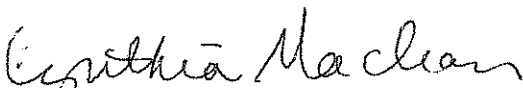

Questions and Responses to the RFP will be separated from, and have no bearing on, subsequent evaluation of proposals submitted in response to the RFP.

Communication with Industry:

Offerors are responsible for monitoring the NASA Business Opportunities Website, <http://prod.nais.nasa.gov/cgi-bin/eps/bizops.cgi?gr=D&pin=73>, and the ATIC Procurement Website, <http://procurement.jsc.nasa.gov/atic/> for any amendments to the RFP, additional information and/or changes to the schedule. Information will be posted as it becomes publicly available.

The RFP does not commit the Government to award a contract nor does it obligate the Government for costs incurred in the preparation and submittal of proposals in anticipation of a contract or comments in response to this RFP.

Thank you for your participation and interest in this procurement.

Cynthia Maclean
Contracting Officer
